Pima Medical Institute (PMI) has four articulation agreements with the following institutions: Chadron State College (CSC), Grand Canyon University (GCU), Montana State University, Billings (MSU), and University of Phoenix (UOP). In addition, PMI maintains an education agreement with Chamberlain College of Nursing. The agreements allow PMI students to pursue online or on-ground baccalaureate degree completion programs or advanced degrees. GCU allows for both PMI degree and non-degree students to transfer credit, while MSU, CSC and UOP are specific to the transfer of credit for PMI degree students.

Additional information about the agreements is included on the following pages. PMI supports the pursuit of life-long learning. In turn, PMI offers degree completion programs and maintains agreements with other institutions to provide graduates with multiple options for continuing their education.
