
Articulation Agreement Guide

Trusted. Respected. Preferred.

Pima Medical Institute (PMI) is committed to maintaining articulation agreements with education institutions to ensure transferable academic credit for PMI students and graduates. PMI develops partnerships and articulation opportunities that increase students' and graduates' accessibility to advanced educational opportunities.

PMI has agreements with the following institutions: Chadron State College (CSC), Excelsior College (EC), Grand Canyon University (GCU), Montana State University, Billings (MSU), University of Phoenix (UOP), and University of St. Augustine for Health Sciences (USAHS). In addition, PMI maintains an education agreement with Chamberlain University College of Nursing (CU). These agreements allow PMI students to pursue undergraduate and graduate degree completion programs (online or on-ground). GCU allows both PMI degree and non-degree students to transfer credit, while MSU, CSC, UOP, and EC allow specific credits to transfer for PMI degree students.

PMI students and graduates are subject to the terms of the agreements that are in place at the time of their enrollment in the partnering institution. Additional information about the agreements is included on the following pages.

PMI supports the pursuit of life-long learning. In turn, PMI offers degree completion programs and maintains agreements with other institutions to provide graduates with multiple options for continuing their education.
