

Pima Medical Institute Program Effectiveness Data

Program Effectiveness Data	Program Completion Rate (1/1/17-12/31/17)		Credentialing Examination Pass Rate (five-year average 2013 -2017)		Job Placement Rate (five-year average 2013-2017)	
<p>JRCERT Standards; Standard Five - Objective 5.3, require that this program effectiveness data information is posted and made available to the general public on an annual basis.</p> <p>JRCERT also posts program effectiveness data on their Web site. This information may be accessed at the JRCERT website Program Effectiveness Data http://www.jrcert.org/resources/program-effectiveness-data/</p>	<p>The number of students who completed the program within a 150% of the stated program length.</p> <p>The number of students who graduated during the reporting period, compared to the number who enrolled in the cohort initially.</p>	<p>2017 Program Completion Rate (%)</p>	<p>The number of graduates who pass, on 1st attempt within 6 months of graduation, the ARRT certification examination or an unrestricted state licensing examination, compared with the number of graduates who took the examination, during the 5 year reporting period.</p>	<p>Five year average Credentialing Exam Pass Rate</p>	<p>* The number of graduates employed in the radiologic sciences, within 12 months of graduation, compared to the number of graduates actively seeking employment¹ in the radiologic sciences, during the 5 year reporting period</p>	<p>Five year average Job Placement Rate</p>
Pima Medical Institute (PMI)-Albuquerque	Will report 2013-2017 data in January 2019 due to graduate time frame. Please reference 2012-2016 data below.					
PMI-APTR	Will report 2015-2017 data in January 2019 due to graduate time frame. Please reference 2012-2016 data below.					
PMI-Chula Vista	27/23	85%	151/151	100%	140/132	94%
PMI-Denver	21	81%	136/139	98%	128/134	96%
PMI-Houston	21/26	81%	136/150	91%	122/133	89%
PMI-Las Vegas	23/28	82%	150/164	91.4%	167/170	98%
PMI-Mesa	Will report 2013-2017 data in January 2019 due to graduate time frame. Please reference 2012-2016 data below.					
PMI-Seattle	30/28	93.33	162/180	90%	151/184	82.06%
PMI-Tucson	20/27	74%	112/126	89%	114/117	97%

¹ Job placement is based on graduates actively seeking employment; graduates who qualify as not actively seeking employment are those who fail to communicate with program officials regarding employment status after multiple attempts; who are unwilling to seek employment that requires relocation; who are on active military duty, or who are continuing their education.

* Data is based on job placement at 6-months post-graduation for 2013 graduates and at 12-months post-graduation for 2014-2017 graduates.

† The APTR program data is for the 2015-2016 reporting years.
