Veterinary Technician (VTT)	\$21,148	17,460.00	\$0	\$1,624		\$205	\$360	\$1,499	7	\$360.00	48.5/1055	85	5/225
Qualifying candidates may be eligible to block transfer courses into the AAS HCA program, allowing them to enter the program in Semester 3.													
AAS Health Care Administration (HCA) - 3 Semester**	\$16,827	14,467.00	\$150	\$628		N/A	\$390	\$1,192	N/A	\$391.00	37/555	48	N/A

*Tax Rate 7.625% (Taxes are calculated on the entire program cost.)

**Students transferring into the HCA program will be subjected to the online credit transfer policy and any associated fees.

[†] Hybrid Programs: Students enrolling will have the option to purchase a laptop for an additional fee of \$476.

The total technology fee included in the Tuition Price List is the combined cost of charges for each enrollment period of the program, as published in the PMI Catalog. For example, a \$650.00 technology fee for a five-semester program would equal a semester charge of \$130.00. For term-based programs, students attending the program outside of the published length (e.g., course retakes or a reduction in course load for an online program) will continue to be charged a technology fee based on each additional semester in which the student is enrolled in the program.

The registration fee is charged for each enrollment, unless returning to the same program within 180 days.

**The uniform fee includes the cost associated with the required dosimeter in applicable programs.

Additional student expenses may include, but are not limited to required immunizations, health insurance, background check, drug screening, clinical registration fees, and travel/parking expenses related to clinical externships or field trips. Please contact the campus administrator for additional information.
