|                              | San Marcos       | \$22,663.00                   |
|                              | Seattle          | \$23,027.00                   |
|                              | Tucson           | \$20,141.00                   |

Total Program Cost includes textbooks, lab supplies, tax, technology fee, and uniforms. Based on the student's location of residence, taxes may vary resulting in a different Total Program Cost. For details, please contact the admissions support center or refer to the Catalog Addenda for the campus tuition price list.

\*The costs of the Veterinary Technician program in Las Vegas, Houston, and San Antonio reflects the cost of both the PMI Veterinary Assistant program (29 credits) and the Veterinary Technician program (48.5 credits); the cost for the program has been evenly divided by 77.5 (total credits for both parts) for an average cost per credit amount. Please refer to the campus Catalog addenda for a specific cost breakdown.

\*\*The El Paso program is a full associate degree program and not a degree completion program.
