### **Clinical Facility / Externship Requirements**

Students may be required to travel greater than 60 miles for their clinical externship.

Students may be required to train during evening and/or weekend shifts for their clinical rotations.

### **Additional Fees**

Additional out of pocket costs can range from \$200.00 to more than \$1,000.00 in fees. All Associate Degree Radiography programs require a background check, drug screen, vaccinations and/or titers, health insurance, and CPR certification. Depending on the clinical facility, students may also be required to register with My Clinical Exchange, purchase hospital required identification badges, and obtain additional background checks. Graduates can expect there to be costs associated with registering for the American Registry of Radiologic Technologists (ARRT) certification exam and applying for state licensure.
