The following are the definitions for the Student Performance Fact Sheet:

- **“Number of Students Who Began the Program”** means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- **“Students Available for Graduation”** is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- **“Number of On-time Graduates”** is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- **“On-time Completion Rate”** is the number of on-time graduates divided by the number of students available for graduation.
- **“150% Graduates”** is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- **“150% Completion Rate”** is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- **“Graduates Available for Employment”** means the number of graduates minus the number of graduates unavailable for employment.
- **“Graduates Unavailable for Employment”** means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- **“Graduates Employed in the Field”** means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month-period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- **“Placement Rate Employed in the Field”** is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- **“Number of Graduates Taking Exam”** is the number of graduates who took the first available exam in the reported calendar year.
- **“First Available Exam Date”** is the date for the first available exam after a student completed a program.
- **“Passage Rate”** is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- **“Number Who Passed First Available Exam”** is the number of graduates who took and passed the first available licensing exam after completing the program.
- **“Salary”** is as reported by graduate or graduate’s employer.
- **“No Salary Information Reported”** is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student shall have the right to cancel an agreement for a program of instruction that is subject of the agreement including any equipment, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later.

The student can voluntarily terminate from the School by notifying the School in writing at Pima Medical Institute, 780 Bay Blvd. Ste. 101, Chula Vista, CA 91910. The effective date of termination is the date of proper mailing of student's notification or the date the written notice is hand-delivered to the school. Refunds are calculated from the last date of attendance.

If the student fails to return issued materials, then the student will be responsible for the cost of those materials. Uniforms that have been worn may not be returned. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not limited to a student's lack of attendance of 14 consecutive days or more or failure to return from leave of absence.

After the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

The date by which the student must exercise his or her right to cancel or withdraw is

_____.

The cancellation and refund policy applies to both on-ground and the distance education programs.

The following are the definitions for the Student Performance Fact Sheet:

- **“Number of Students Who Began the Program”** means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- **“Students Available for Graduation”** is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- **“Number of On-time Graduates”** is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- **“On-time Completion Rate”** is the number of on-time graduates divided by the number of students available for graduation.
- **“150% Graduates”** is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- **“150% Completion Rate”** is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- **“Graduates Available for Employment”** means the number of graduates minus the number of graduates unavailable for employment.
- **“Graduates Unavailable for Employment”** means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- **“Graduates Employed in the Field”** means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month-period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- **“Placement Rate Employed in the Field”** is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- **“Number of Graduates Taking Exam”** is the number of graduates who took the first available exam in the reported calendar year.
- **“First Available Exam Date”** is the date for the first available exam after a student completed a program.
- **“Passage Rate”** is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- **“Number Who Passed First Available Exam”** is the number of graduates who took and passed the first available licensing exam after completing the program.
- **“Salary”** is as reported by graduate or graduate’s employer.
- **“No Salary Information Reported”** is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student shall have the right to cancel an agreement for a program of instruction that is subject of the agreement including any equipment, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later.

The student can voluntarily terminate from the School by notifying the School in writing at Pima Medical Institute, 780 Bay Blvd. Ste. 101, Chula Vista, CA 91910. The effective date of termination is the date of proper mailing of student's notification or the date the written notice is hand-delivered to the school. Refunds are calculated from the last date of attendance.

If the student fails to return issued materials, then the student will be responsible for the cost of those materials. Uniforms that have been worn may not be returned. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not limited to a student's lack of attendance of 14 consecutive days or more or failure to return from leave of absence.

After the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

The date by which the student must exercise his or her right to cancel or withdraw is

The following are the definitions for the Student Performance Fact Sheet:

- **“Number of Students Who Began the Program”** means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- **“Students Available for Graduation”** is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- **“Number of On-time Graduates”** is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- **“On-time Completion Rate”** is the number of on-time graduates divided by the number of students available for graduation.
- **“150% Graduates”** is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- **“150% Completion Rate”** is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- **“Graduates Available for Employment”** means the number of graduates minus the number of graduates unavailable for employment.
- **“Graduates Unavailable for Employment”** means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- **“Graduates Employed in the Field”** means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month-period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- **“Placement Rate Employed in the Field”** is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- **“Number of Graduates Taking Exam”** is the number of graduates who took the first available exam in the reported calendar year.
- **“First Available Exam Date”** is the date for the first available exam after a student completed a program.
- **“Passage Rate”** is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- **“Number Who Passed First Available Exam”** is the number of graduates who took and passed the first available licensing exam after completing the program.
- **“Salary”** is as reported by graduate or graduate’s employer.
- **“No Salary Information Reported”** is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student shall have the right to cancel an agreement for a program of instruction that is subject of the agreement including any equipment, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later.

The student can voluntarily terminate from the School by notifying the School in writing at Pima Medical Institute, 780 Bay Blvd. Ste. 101, Chula Vista, CA 91910. The effective date of termination is the date of proper mailing of student's notification or the date the written notice is hand-delivered to the school. Refunds are calculated from the last date of attendance.

If the student fails to return issued materials, then the student will be responsible for the cost of those materials. Uniforms that have been worn may not be returned. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not limited to a student's lack of attendance of 14 consecutive days or more or failure to return from leave of absence.

After the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

The date by which the student must exercise his or her right to cancel or withdraw is _____.

The cancellation and refund policy applies to both on-ground and the distance education programs.
