Placement rates as reported to the Accrediting Bureau of Health Education Schools (ABHES) for 7/1/2023 - 6/30/2024 graduates. Placed graduates are defined as those employed in a position wherein the majority of the graduate's job functions are related to the skills and knowledge acquired through successful completion of the training program. Verification of placement takes place no earlier than 15 days after employment. Graduates of Pima Medical Institute's Baccalaureate programs have continued their graduate and/or professional education at various institutions and have pursued degrees including Public Health, Business Administration, and Leadership. Pima Medical Institute maintains articulation agreements that allow for continuing education. Information regarding articulation agreements can be found at: <https://pmi.edu/pdf/consumer-information/articulation-agreement-guide> Pima Medical Institute maintains this information through graduate surveys and employment verifications in accordance with ABHES guidelines, methodology, and timelines.
